

Carnival Horizon

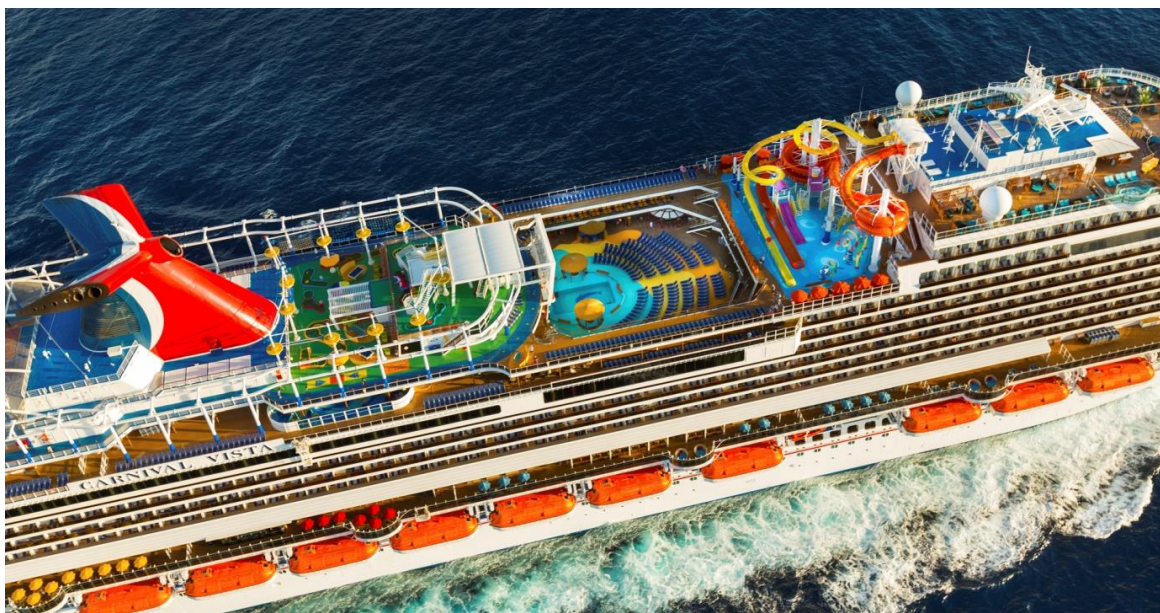

Exciting news about our newest Vista Class ship - Carnival Horizon. Last week, a commemorative coin was welded to Carnival Horizons Mast to mark the successful completion of its exterior outfitting!

Carnival Horizon is scheduled to make its debut April 2, 2018 and will have a diverse itinerary for you to offer to your clients. The sailings start in Europe including four round – trip departures from Barcelona of varying lengths visiting many beautiful destinations in the Mediterranean. The ship will then continue to New York for the summer and will offer four day Bermuda and eight day Caribbean cruises before moving to Miami to launch a year round schedule consisting of six and eight day Caribbean cruises beginning September 22, 2018.

Carnival Horizon is the second of the three Vista Class ships and will include many Vista Favourites such as; SkyRide™, the IMAX® Theatre, WaterWorks Aqua Park, Havana staterooms, Family Harbour cabins and more. Stay tuned because we will soon be revealing a variety of firsts to our fleet, including dining and bar concepts and outdoor spaces that will be unique to Carnival Horizon!
