

CARNIVAL JOURNEYS

9-to-15-day adventures that seek out the less-travelled, but no-less-spectacular corners of the Caribbean, Americas and Hawaiian Islands. These are special itineraries complemented by special onboard experiences. Regional music, dances and costumes appear throughout each cruise along with interactive sessions between guests and crew members. Authentic dishes, from local chefs, spice up the main dining room. Unique classes are offered in everything from photography to the ancient art of celestial navigation.

And cruisers can relax on the pool deck like it's 1987 during our special retro themed day at sea. So...choose a Carnival Journeys cruise and expect your vacation to be delightfully different!
